## Portfolio

### West of Modernism

Designed a series of posters through a three part process of typographic composition, photography and image studies, and poster composition

### Album Artwork

Created a custom typographic and illustration system for usage in motion design, album artwork, and ephemera

### Sölum

Designed a multi-media identity package for an original restaurant concept

### Ink Illustration

Designed and illustrated a series of tattoos based on client requests

### Personal Brand

Designed a multi-media identity package for usage as a professional brand

### Creation Care Week

Illustrated and edited an animated short as part of a campus-wide sustainability event

### Discard

Utilized found materials to create a series of original collages under a unified concept

### Scholarship Report

Worked within a preexisting system of typography and imagery to create new layouts and update content for an annual print publication

### FLUX

Created 25 original, multi-media artworks for a solo exhibition in Point Loma Nazarene University's Keller Gallery

### Connections

Created five original multi-media artworks for Point Loma Nazarene's virtual exhibition *Connections*

## Experience

### Operations Manager + Coach

August 2022–current  
Rock Haven Climbing LLC

Completed various reporting and billing tasks, ensured that gym operations ran smoothly on a daily basis, assisted in facilitating a company wide software transfer and trained staff accordingly, and created marketing materials for both print and web usage according to brand guidelines

Taught bouldering classes to adults and children of all ages and coached youth between the ages of three and seventeen during camps, youth classes, school events, and Rock Haven Climbing team practices as a coach

### Illustrator + Designer

October 2017–current

Worked with clients on projects ranging from individual custom artworks, complete brand identity packages, billboard & mural designs, visual assets for social media, and layout design

### Budtender

October, 2021–May, 2022  
Oregon Coast Cannabis

Curated a welcoming and educational customer experience, maintained a large product inventory, created and maintained visual brand assets, assisted in store operations and digital asset management, and worked with management to create and implement store-wide standard operating procedures
